Answers for Key Accounting Concepts in Copley 11e

essential concepts.

1. How do you prepare a trial balance?

Answer:

To prepare a trial balance, list all ledger accounts with their ending balances, debit or credit. Sum the debits and credits, ensuring they are equal. If totals do not match, review and correct errors in recording transactions, posting, or calculations.

2. What are the main types of adjusting entries?

Main types include:
